

Sometimes we receive more entry checks than a course can handle due to number of carts. The **Next Event Entries List** will be posted by the pairer typically on Saturday for Monday events, and on Wednesday for Thursday events. If you are not on the list, then be sure to check back as the list may change. You may be on a waiting list. The pairer may call you if an opening occurs.

You may want to communicate with the pairers using the same e-mail procedure as shown for “Late Entry – Withdrawal” on the website

These are the courses where we may have the problem:

Bristol GC	100
Crockett Ridge	120
Crossings	96
Link Hills CC	86
McDonald Hills	76
Pine Oaks	100
Ridgefields	100
Twin Creeks	92

Thanks for understanding this problem.
